Subject: Establishment of IGNOU Learning Support Centre in MGCU Campus

Dear Prof. Sanjay Kumar Srivastava,

Pranam!

As you are aware Indira Gandhi National Open University, New Delhi (IGNOU) was established by an Act of parliament in 1985 to democratise and provide quality higher education access to learners irrespective of age, region, religion or gender. I am writing to propose the establishment of a IGNOU's Learning Support Centre in your university campus. Being the no.1 NIRF ranked open university and A++ NAAC graded institute IGNOU has a reputation of excellence in distance education. We offer certificate, diploma, Degree and Masters in 333 programmes in 21 school of studies.

This initiative also aligns with the National Education Policy-2020's emphasis on enhancing opportunities for learners, promoting inclusive and need based flexible academic programme. Students from your reputed institute may choose various programmes to enhance their skill and knowledge. LSC will benefit students from diverse backgrounds, particularly those from disadvantaged groups and provide a comprehensive range of services regarding academic and career guidance.

Our future collaboration will also provide ample opportunity to the faculty members who explore their potential and have an insight of distance learning. For establishing LSC, please provide:

1. A space with 3 well equipped rooms attached with toilet facilities.
2. Two personal computers fitted with internet.
3. Enough furniture/Almirah for persons engaged there.
4. Panel of three permanent faculty members for the post LSC Coordinator.

It will be a great journey for both the institutions to grow and facilitate its learners.

Thank you

Sincerely,

Dr. Shyam Nandan
