The University Student Counselling Cell is dedicated to promoting the mental health and emotional well-being of students. It provides a safe, confidential, and supportive environment where students can seek guidance on personal, academic, and psychological concerns. The Cell regularly organizes awareness programs, counselling sessions, and interactive activities aimed at building resilience, enhancing coping skills, and encouraging help-seeking behaviour among students. The Counselling Cell remains committed to fostering a positive campus environment where every student feels heard, supported, and empowered to achieve holistic developments.
