COMPARITIVE STUDY

CCC

- ❖ Full form CCC: Classified Catalogue Code.
- ❖ CCC is unique contribution of Dr. S.R. Ranganathan.
- ❖ The Classified Catalogue Code (CCC) first published in 1934.

AACR-II

- ❖ Full Form of AACR-II :Anglo American Cataloguing Rule.
- ❖ AACR-II was prepared by ALA, The British Library, the Canadian Committee on Cataloguing, The Library Association, and the Library of Congress and it was edited by Michael Gorman and Paul W. Winkler.
- ❖ Anglo American Cataloguing Rule- II (AACR-II) published in 1978.

Establishment of CCC

❖ The foundation for the code was laid in the 1924-25 when he was studying in the London School of Librarianship, England.

In his own words “the classified catalogue owes itself to the sense of revolt induced in the mind while learning catalogue in 1924-25 School of Librarianship of the University of London”.

Establishment of AACR-II

❖ AACR-II traced from Anglo American Cataloguing Code of 1908. This code was revised and published by ALA (American Library Association) cataloguing Rules in 1949. In 1961, after the International Conference on Cataloguing Principles (ICCP), the new code appeared and published in 1967, which was named AACR-I (Anglo American Cataloguing Rules-I), which was revised with some alterations and additional rules and published in 1978 as AACR-2.

Year wise Development of CCC

- 1st edition was published in 1934.
- 2nd edition was published in 1945, which established the symbiotic relationship between classification and cataloging and developed the chain procedure for subject cataloging and indexing.

Year wise Development of AACR-II

- AACR-II published in 1978.
- In 1988, some changes and additions were made in AACR-2nd edition and AACR -2nd Revised edition was published, which has 2 parts.

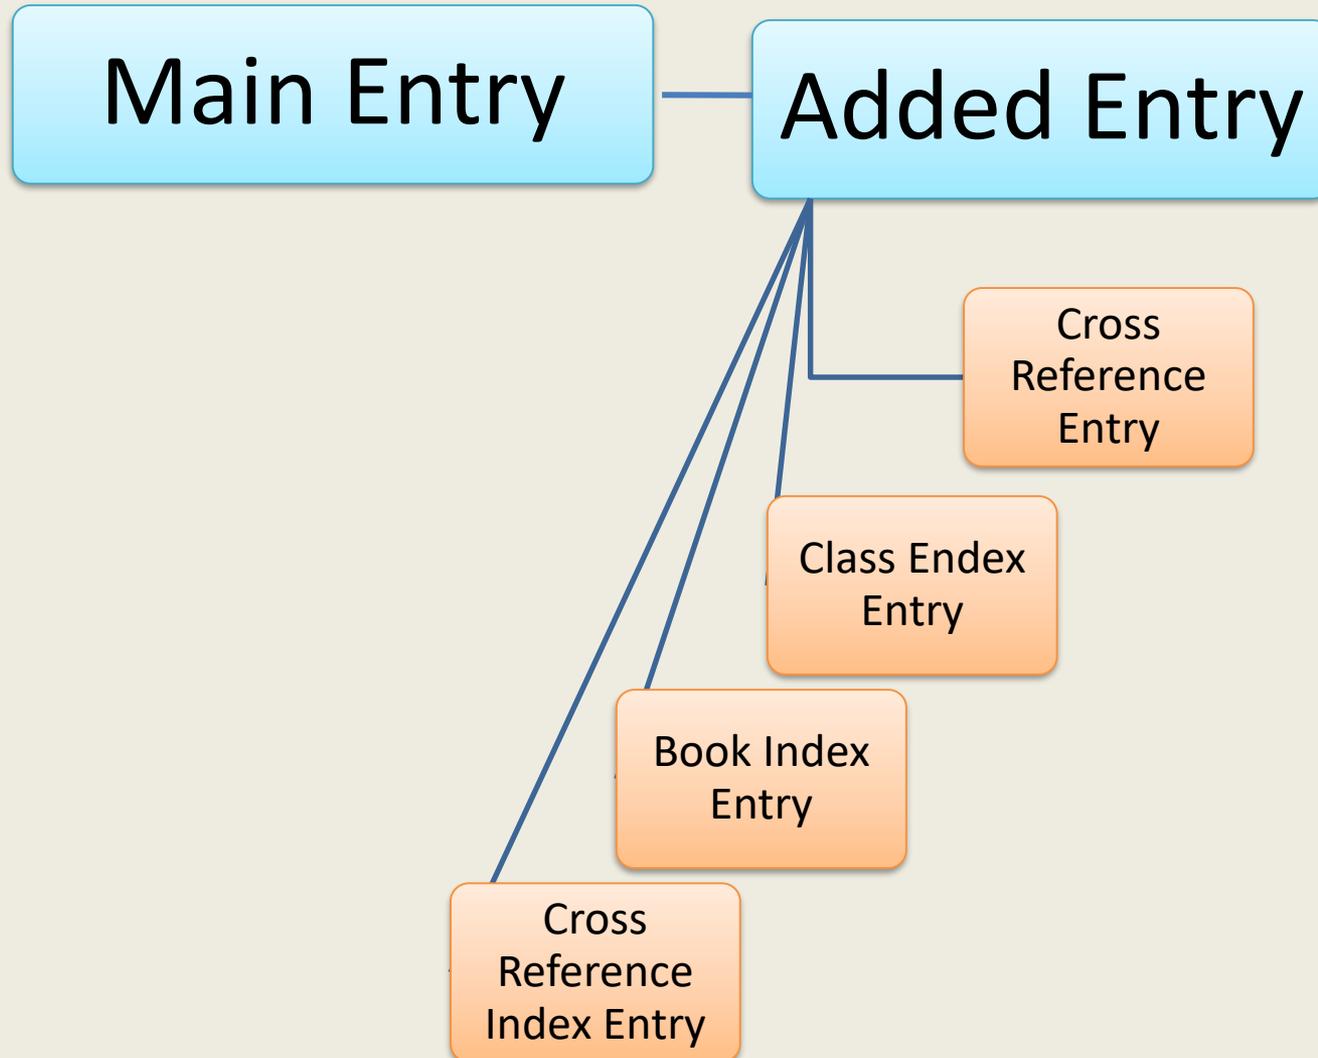

Year wise Development of CCC

- 3rd in 1951 with additional rules.
- 4th was published in 1954. This edition implemented the lay-out of Heading and Canons for a catalogue.
- 5th edition of the Catalogue code appeared with additional rules for Dictionary Catalogue Code published in 1964.

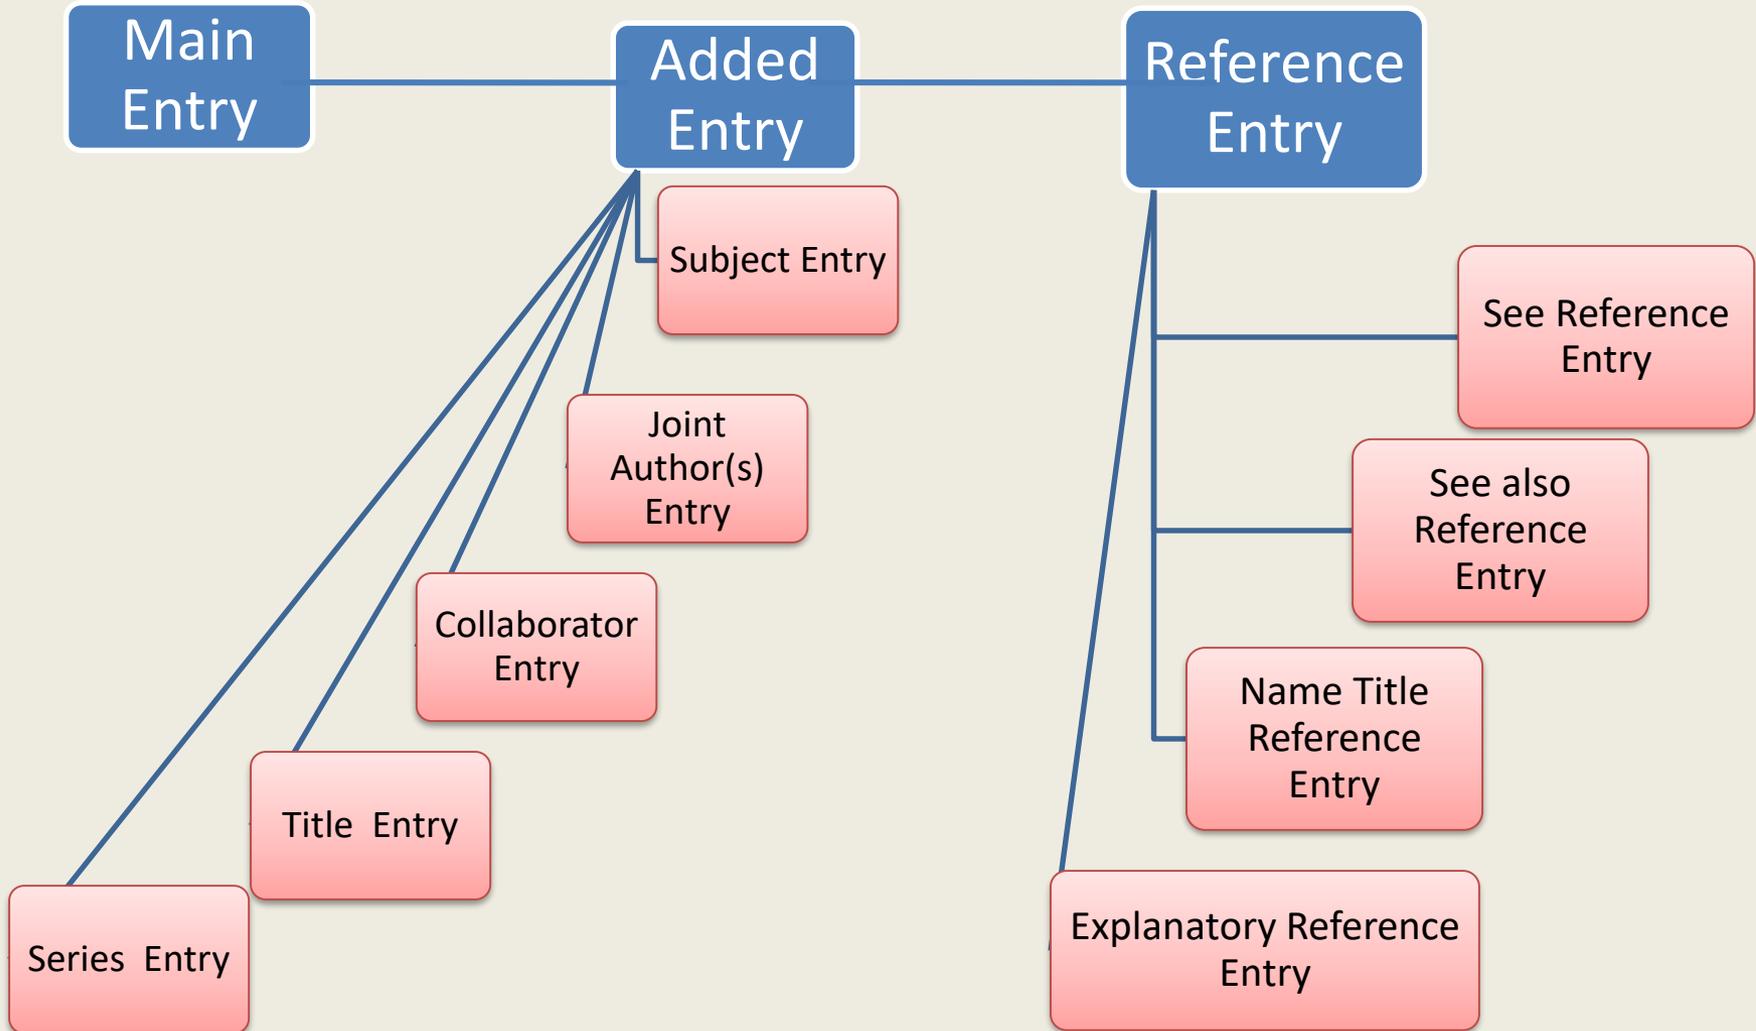

Year wise Development of AACR-II

- AACR-II recognized in the year 1981 as an International Cataloguing manual.
- In 2002, it was again revised.
- From 2003, annual updates began and ended with 2005.
