Venue

Department of Commerce

Mahatma Gandhi Central University

Motihari, Bihar- 845401

About the University

MAHATMA GANDHI CENTRAL UNIVERSITY (MGCU) came into existence by an Act of Parliament, Central Universities (Amendment) Act 2014 (No. 35 of 2014). The University became functional on 3rd February 2016. MGCU is situated in Motihari (Bankat), on National Highway 28. MGCU is proving to be an excellent centre of Higher Studies in both Basic, Applied and Technical educational fields. It offers Undergraduates, Postgraduates and Doctoral Programmes in Schools/ Departments. The faculty members of Mahatma Gandhi Central University have been awarded national and international fellowships, project funding and recognition. They are constantly contributing to the government sector, public sector and private sector organisations through teaching, research and consultant. The students have also own accolades in national level academics and extramural activities. The location of the University in Motihari, Bihar does take us to the glorious historic year of 1917 when Mahatma Gandhi started his well-known SATYAGRAHA, the first ever anti-colonial struggle against the British. It is rightly said that Motihari made Mahatma Gandhi the BAPU, the premier MASS LEADER who henceforward revolutionized the whole India through miraculous mantras of Truth and Non-Violence. No wonder, MGCU is committed towards inculcating the spirit of SATYAGRAHA, TRUTH and NON-VIOLENCE among our learners towards rendering their invaluable services to the humanity.

About the Department

The **Department of Commerce** was established in 2016 to promote an environment of research and higher education. The main objective of the department is to fill the gap in higher education and especially in research in the region. It offers Ph.D. Programme in Commerce, Two-Years Postgraduate Programme (M.Com), Three years undergraduates Programme (B.Com), Five year integrated B.Com - M.Com as per NEP. The faculty members and scholars have regularly contributed their cutting edge research work in reputed journals, indexed in Scopus/WoS/ABDC/UGC Care/ Peer Reviewed and presented papers in conferences organised by IIMs, IITs, Central Universities, etc. During the last five years, faculties and scholars have published around 60 papers in the journal of repute. The department organises conferences, seminars, workshops and FDPs on a regular basis to enhance the academic and professional growth of faculties, scholars and Professionals.

About the Conference

The Department of Commerce, Mahatma Gandhi Central University, is pleased to announce a Two-Day International Conference on **“Climate Change, Economic Growth, Trade & Finance”**, scheduled to be held on **12th and 13th February 2026**.

In an era marked by rapid globalization, technological transformation, and growing environmental concerns, the interplay between climate change, economic growth, trade, and finance has become more crucial than ever. This conference aims to provide a dynamic platform for academicians, researchers, policymakers, industry professionals, and students from across the globe to exchange ideas, share research insights, and explore innovative solutions for sustainable economic and business development.

The conference will feature a blend of plenary sessions, expert panel discussions, and paper presentations, fostering meaningful dialogue and collaboration among scholars and practitioners. Eminent speakers from academia, industry, and government institutions will deliberate on contemporary issues, emerging trends, and future directions in global business and economic policy with keep in mind the climate risk.

The ideas shared here will not only enrich academic literature but also offer practical solutions to pressing societal challenges, helping business leaders, governments, and policymakers shape strategies that are future-ready, environmentally friendly and socially responsible.

Through this initiative, Department of Commerce, Mahatma Gandhi Central University aims to contribute the national discourse on climate change, economic growth, trade and finance – creating a meaningful impact on scholarship, policy and practice.
